Welcome to Make it and Bake it Kids Cooking Classes

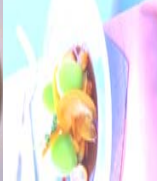

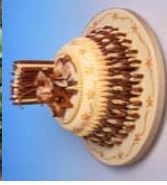

Make it and Bake it, run regular cooking classes which have been designed for and tested on **KIDS**.

We hold regular classes during the school holidays and some Saturdays in our kitchen at our retail shop. These prove very popular with children aged between 5 – 12 years.

We also hold classes at Day Care Centres, Sports centres, Schools or other outside venues. These classes run for between 60 – 90 minutes, the children get to do everything hands on. They get the finished product to take home to their families, along with notes on what they did and discount vouchers.

Minimum number of participants for classes run outside our store is 10. Items being prepared will depend on equipment available (ie stoves etc) and can be discussed with you when booking an event. We also have a number of theme cooking sessions, refer to the kids classes brochure for some samples of these themes. The themes listed in that brochure do not include all that we do, we also can develop a class around your requirements so just ask us.

Cost per participant for outside classes at time of printing is \$5.00 per child. Classes held in our store are usually more comprehensive and cost varies depending on class content.
